## **DIPOLO**

Preparing the DIPOLO program

A collective sound project in real time that emits voices with similar instruments that mixes with images without any suggestion in the order.

Colectivo Dipolo formed by the duo of cinematographers Carolina Adriazola / José Luis Sepúlveda, they were more than 10 years old working in multiple realities in Chile in this period. Until now, they have presented El Pejesapo (2007), Mitómana (2009), El Destapador (2012), Chronicle of a committee (2014), Il Siciliano (2017) and Harley Queen (2019),

Creators of the Festival de Cine Social and Antisocial FECISO, which lasts for 13 years with 24 versions in which they live and are also the first Escuela Popular de Cine en Chile which has been running for 10 years.
